**For Heat – Pump add as follows;**

SAC -10	to	SAC - 16	US\$ 35,00
SAC -18	to	SAC - 30	US\$ 45,00
SAC -36			US\$ 55,00
SAC -50	to	SAC - 60	US\$ 65,00

**Our standard features are as follows;**

10.000 to 18.000 BTU	are Mitsubishi Rotary Compressor,	240V/50Hz/1Ph
25.000 to 36.000 BTU	are Mitsubsihi Rotary Compressor,	400V/50Hz/3Ph
50.000 to 60.000 BTU	are Copeland Scroll Compressor,	400V/50Hz/3Ph

Refrigerant Flow controlled by accurator,  
Suction accumulator on all Mitsubishi Compressors,  
Outdoor Casing ; powder coated galvanized steel,  
Controls are auto – restart with timer function, either infrared or wired type as option,  
Brand Name is your choice,  
Compressor Blanket,  
High – Low Pressure Control,

If crankcase heater is required, add US\$ 12.00 for size’s 10.000 to 30.000 BTU,  
US\$ 24.00 for sise’s 36.000 to 60.000 BTU,

**Note: ad 50.- US\$ for Controller on duct type units !**

**ALL UNIT’S CE CERTIFIED**
